

He would  
not be welcome  
here.

He would  
have done bad things  
here.

She would  
have cracked you up  
here.

He would  
have blown you away  
here.

She would  
have amazed you  
here.

They would  
have partied  
here.

He would  
e played blues  
here.

He would  
have played blues  
here.
